MARY FERWERDA

Executive Director

Dear Friends of the MJC,

It is a joy to share with you the Milwaukee Justice Center 2017

Annual Report. I always enjoy reflecting upon the past year and the efforts of so many who help to fulfill our mission of furthering access to justice in Milwaukee.

We experienced growth in our Mobile Legal Clinic. For the first time since its inception in 2013, the Mobile Legal Clinic assisted over 200 individuals in legal advice services through expanded community host site partnerships across Milwaukee County.

We added the first Michael F. Hupy Summer Fellow, a stipend position supported by the generosity of Attorney Mike Hupy of Hupy & Abraham S.C. This position provides one law student a summer stipend and an opportunity to gain valuable summer experience by working full time with the MJC.

We again honored 4 volunteers with our Pace Setter Awards at the 7th Annual Run for Justice. These individuals were recognized for their commitment and compassion to their service at the MJC. Please join me in congratulating Attorney Melita Biese for her weekly volunteering commitment to the Marquette Volunteer Legal Clinics at the MJC; law student Jason “JJ” Moore for contributing over 300 hours of pro bono service during his law school career; undergraduate intern Taylor Gauthier for 3 years of continued volunteer service; and Michael Best & Friedrich legal assistant Joy Calmes for coordinating the monthly Michael Best attorney volunteers at the MJC and the Mobile Legal Clinic.

As always, we continue to be grateful for the support you offer as a volunteer, financial donor, or both, to the MJC partnership. You are an important and valuable contributor to our efforts to further access to justice in Milwaukee. We cannot do what we do without your involvement.

Thank you!

Parenting Conferences

an alternative method for parents to settle outside of court

In collaboration with Milwaukee County Child Support Services, Quarles & Brady LLP, and Marquette Law School, Parenting Conferences offer a dispute resolution option to parents who want to discuss issues of child support, custody, and placement, and potentially come to a stipulated agreement outside of court.

CLIENT VOICES

a word from some of the clients we serve

“ I am so thankful for their help and expertise. There is no way I would have been able to complete this independently. I am grateful! Thank you! ”

Lashundra

“ The advice we were given today exceeded our expectations! We were treated with thoughtful respect. ”

Joe

“ Very helpful. This service is an amazing help. Due to our situation, we are unable to get a lawyer. But we were able to get answers and referrals. Thanks for your help. ”

Volunteer Voices

what some of our volunteers have to say

“ Many of the court processes can be very difficult for people to have to go through and many are very unsure of what they actually need to do to make sure they complete the process. I think it is awesome that the MJC exists to help the people that represent themselves in court.”

Leslie, Spring 2017

“ I learned that is very difficult to understand or even focus on legal jargon and other obstacles of the law for many people. People who need legal help the most typically are the ones who have the least access to it.”

Kendall, Spring 2017

“ I learned life is not as easy as one may think, [The MJC] gave me a reality check and I learned more about myself and the world.”

PUBLIC ALLIES
Everyone Leads

2016 - 2017

ROB RANDOLPH

As a proud partner of Public Allies, we host an ally every year who assists our organization in many capacities.

As our Public Ally from 2016 into 2017, Rob assisted in the capacity of coordinator for the Mobile Legal Clinic, as well as being a helping hand around the office.

He now serves as our media and graphics designer.

AmeriCorps Allies are individuals from our communities who are committed to making a difference through service, and who are looking for an opportunity to build skills and a network of emerging grassroots leaders.

IN MEMORIAM

Jon Allen

MJC volunteer (2015-2017)

Front Desk Administrative Coordinator (2017-2018)

In February 2018, the Milwaukee Justice Center lost a valuable member of our team when Front Desk Coordinator, Jon Allen, passed away unexpectedly in an accident. He was a volunteer with the family forms assistance for almost two years before joining the full-time staff in June 2017.

Jon was an outstanding mentor and teacher to student volunteers, a source of great knowledge about many things, a compassionate and kind face to the public, and a friend to all of us and many others in the Courthouse. Jon's family dedicated donations to the MJC in Jon's name and we are creating a scholarship fund to recognize students who exemplify his commitment, initiative, and great humor.

Our care and thoughts are with Jon's wife (and fellow MJC volunteer), Attorney Susan Allen, and all of his family and great friends. You are missed, Jon. Rest in peace.
